

## Gold Beach 60 years on

### Application to join Ver sur Mer (Normandy) event Wednesday June 4<sup>th</sup> - Tuesday June 9<sup>th</sup> 2014

Demand for ferry spaces will be enormous in June 2014! At this stage (July 2013) the most important thing is to get our tickets booked for the ferry (Out expected Portsmouth- Ouistreham 0830 4<sup>th</sup> June, in Ouistreham-Portsmouth expected 1630 9<sup>th</sup> June). To do that we need AT LEAST details of each vehicle travelling with us and names of the proposed passengers. Please don't delay sending your form in order to complete other details – they can come later.

Please print and complete (or complete and print!) the required sections of the form, and return it with a cheque for your initial contribution (£25 per VEHICLE if you want to travel with us, £20 per person if you're making your own travel arrangements) made payable to "Gold Beach 60 Years On".

Return address – "Gold Beach 60 Years on", c/o Pamela Rowley, 52 Duke Street, Heron Cross, STOKE ON TRENT ST4 3BL or by email to [info@goldbeach.org.uk](mailto:info@goldbeach.org.uk)

First the easy stuff.

Tell us your name

Tell us your postal address

Give us a contact phone number(s) please – and a mobile number if you have one.

Give us a contact email address if you have one please.

Have you attended an event organised by the Gold Beach group before? If so, when and where?

If you belong to a re-enactment group, please answer these questions.

Tell us the name of your group

Tell us about the unit that you represent

## Who is the group CO/chairman?

If you don't belong to a re-enactment group, we expect to have Infantry, RAMC, ACC, Royal Artillery, Royal Signals, Reconnaissance and ATS units at least represented at the event. Tell us which one you'd like to join up with. Or start a new one!

Unit I'd most like to join/will make my own arrangements

**CAMPING** – We plan a separate site for modern tents.

Willing to share? How many spare spaces?

Or would you like a spare tent space with others?

No thanks – I won't be camping – I'll make my own arrangements.

NOW FOR THE IMPORTANT STUFF! VEHICLES – Modern vehicles will not be parked in the 1944 camp. Alternative parking arrangements are planned for them.

Period vehicles are preferred. Please include make, model, registration number, colour and dimensions – length, width and height INCLUDING ANY ROOF LOADS. Detail trailers separately please.

Will you be bringing a vehicle(s)?

Tell us about it/them. Dimensions are especially important for the ferry.

Who will be travelling in this vehicle?

Anything else that you'd like us to know? Will you be carrying weapons (de-act or live) for example?

OK. Almost done. Please read, understand and agree to these regulations. They're not intended to make life difficult, just to go some way towards ensuring an enjoyable and safe event for everyone.

2. I agree that the organisers can accept no liability for loss or damage sustained however caused.
3. My vehicle(s) are insured against off-road third- party risks.
4. I or the group to which I belong are insured against public liability risks
5. I agree to not smoke unless in designated areas, not to light fires, carry unsheathed blades of any kind, nor expend ammunition (blank or otherwise!) without the explicit approval of the camp commander.
6. I agree to read and act on camp daily orders.
7. I agree to respect the camp chain of command.
8. I agree to act at all times in a manner befitting those whom we represent, and to abide by the code of conduct as published on the "Gold Beach 60 years On" website. [Link](#)
9. I understand that breach of these regulations may result in exclusion or eviction from the event.
